

Program Descriptions

CE Credits: Program = 5.0

8:00 am – 9:00 am

Registration/Continental Breakfast

9:00 am – 10:30 am

Cactus Rolling: Coping with Life's Thorniest Problems

Stephen Douglas, Ph.D.
Psychologist

Dr. Douglas has an active practice in psychological and organizational development, and serves as special consultant to several law enforcement agencies in Ohio. His session is unique and guaranteed to be one of the most enjoyable presentations you will ever hear on managing stress, by sharing real life yet humorous illustrations on how to reduce your stress. His session will teach us to have a better understanding on how our thought processes can help us with all the many stresses we encounter – including the importance of changing our imagery from catastrophe to reality.

10:30 – 12:00 pm

Operational Improvements post EHR implementation

Angela Brandt, CMOM, CMC
Divisions Director, Operations
Summa Physicians Inc. - Summa Health System

Brian Kundtz, MBA
Director, IT
Summa Physicians Inc. - Summa Health System

Tessa Smith, MA
Senior Application Analyst, IT
Summa Physicians Inc. - Summa Health System

Are you realizing that your practice is not functioning as efficiently or productively as it had been in the paper world? Summa Physicians Inc., a multi-specialty practice of Summa Health System, began implementing electronic health records in eighty-five offices and quickly faced unexpected challenges. Learn from those members directly involved with the project of ways in which they

redesigned and considered key elements of the workflow to increase satisfaction of the physicians, staff and patients, and met meaningful use criteria by reassessing processes and synchronizing the needs of the IT, Operations, HIM and Revenue Cycle departments. Hear how these efforts included insight from all key stake holders and ultimately improved the use of electronic medical records.

12:00 pm - 1:30 pm

OHIMA Annual Business Meeting, AHIMA Update & OHIMA Awards Recognition Luncheon

AHIMA Past President Rita Bowen, MA, RHIA, CHPS, SSGB will provide an AHIMA update. In addition, the newly elected OHIMA Board will be introduced, followed by the awards luncheon honoring OHIMA's Distinguished Member and Achievement Award winners.

** IMPORTANT NOTE: Be sure to check YES on your registration form to attend the Monday luncheon.*

CONCURRENT SESSIONS: 1:45 pm – 3:00 pm & 3:15 pm – 4:30 pm
Choose only 1 session from each timeslot. Please note that session 4 does not repeat.

1. Tightening the ROI Workflow to Reduce Breach Risks

Sponsored by HeathPort

Rita Bowen, MA, RHIA, CHPS, SSGB
Senior VP of HIM and Privacy Officer, HeathPort

Ms. Bowen will provide you with a full grasp of the release of information (ROI) process and helps you identify potential vulnerabilities. Because regulations are becoming more restrictive and PHI penalties have increased to levels that would make any healthcare professional cringe, you'll also get insight on how to tighten up your workflow and prevent costly breaches. This session also examines how to handle ROI requests for protected health information, which are growing exponentially as audits from payers, RACs and other federal agencies continue to ramp up.

2. Remember When a "Business Associate" was Someone You Took to Lunch? Navigating HIPAA Compliance Challenges After HITECH

Lisa Pierce Reisz, JD
Partner, Vorys, Sater, Seymour and Pease, LLP

As of mid-April, 2011, OCR was actively investigating approximately 4,200 HIPAA violations. You don't want to be one of them. With the finalization of the HITECH rules, civil monetary penalties for HIPAA violators, and the dawn of OCR's HIPAA audits, providers are facing a fundamentally different privacy enforcement environment. This is the real deal - as evidenced by multimillion dollar settlements facilities paid

for failing to provide patients with a copy of their record and exposure of patients' PHI. This session will provide detail on how all health care providers and their business associates must re-evaluate their HIPAA policies, procedures and training. It will include an analysis of the law, a review of the current enforcement environment, and practical tips for industry players as they try to navigate the "new" health information privacy world order.

3. Gaining a Competitive Advantage through Employee Engagement and Retention Strategies

Andre Boykin
Managing Partner, CAPITAL iDEA

Creating an engaged team committed to getting results is the single most important thing a leader can do. This dynamic session is for leaders who want to maximize the performance of their team and are willing to take an active role in creating employee engagement. Learn how to stop struggling with employees that lack initiative. Effectively engage all employees - from boomers to millennial. Reduce turnover and minimize time spent intervening in things your employees should handle.

4. a. Freedom to Focus on Critical HIM Initiatives

Blake Sawyer
Senior Sales Engineer, EDCO Group Inc.

Your time is valuable - learn how to free yourself from the challenges related to the hybrid record, daily scanning operations, and managing the file room so you can focus on strategic areas of HIM such as ICD-10 and EHR implementations. Hear how other HIM leaders have justified these cost-saving and efficiency opportunities within the department.

4. b. Making your EHR Operationally Meaningful to HIM

Blake Sawyer
Senior Sales Engineer, EDCO Group Inc.

In the race towards Meaningful Use, many facilities have embarked on an EHR implementation. The challenge to making this investment meaningful is creating a fully electronic record since many facilities are still struggling within the hybrid record environment. In this session, learn the key points related to document capture as part of a facilities Meaningful Use implementation plan and how having a document capture plan is instrumental in making the most of your facilities EHR investment.

4:30 pm – 5:45 pm Meef & Greet the Exhibitors Happy Hour

OHIMA's Happy Hour is the perfect ending to a day of thought-provoking sessions. Relax and network with your friends and enjoy complimentary food and drink while welcoming the many exhibitors to our show!
